## CHARACTER

Character is that quality which distinguishes a person from his fellow man. It is the sum total of the individual—and all he represents, evidenced by clean living and clear thinking. Like an invisible magnet, character guides one through life's temptations; and once developed, grows steadily to become an unfailing guide for its master. It is composed of intangibles, such as honesty and integrity. It is a quality that makes men famous.

Character is not an innate trait; it is a quality man must strive to perfect. He must decide the degree of perfection he shall attain, and every action and decision in his life plays a part in development of his character.

An industry, too, must constantly cultivate character—in its name, its product, and its people. Industry shows great pride in its character, and industries in this area take much interest in the character of their community, because an industry's character can be no better than its community's.

Owens-Illinois is indeed cognizant of the character of this community, its citizens, and its youth. You who are being graduated can be justly proud of the richness of your community's character, but you cannot wear such pride without responsibility, because your forthcoming contributions of honesty, integrity and other character-building prerequisites will shape the character of your community for the future.

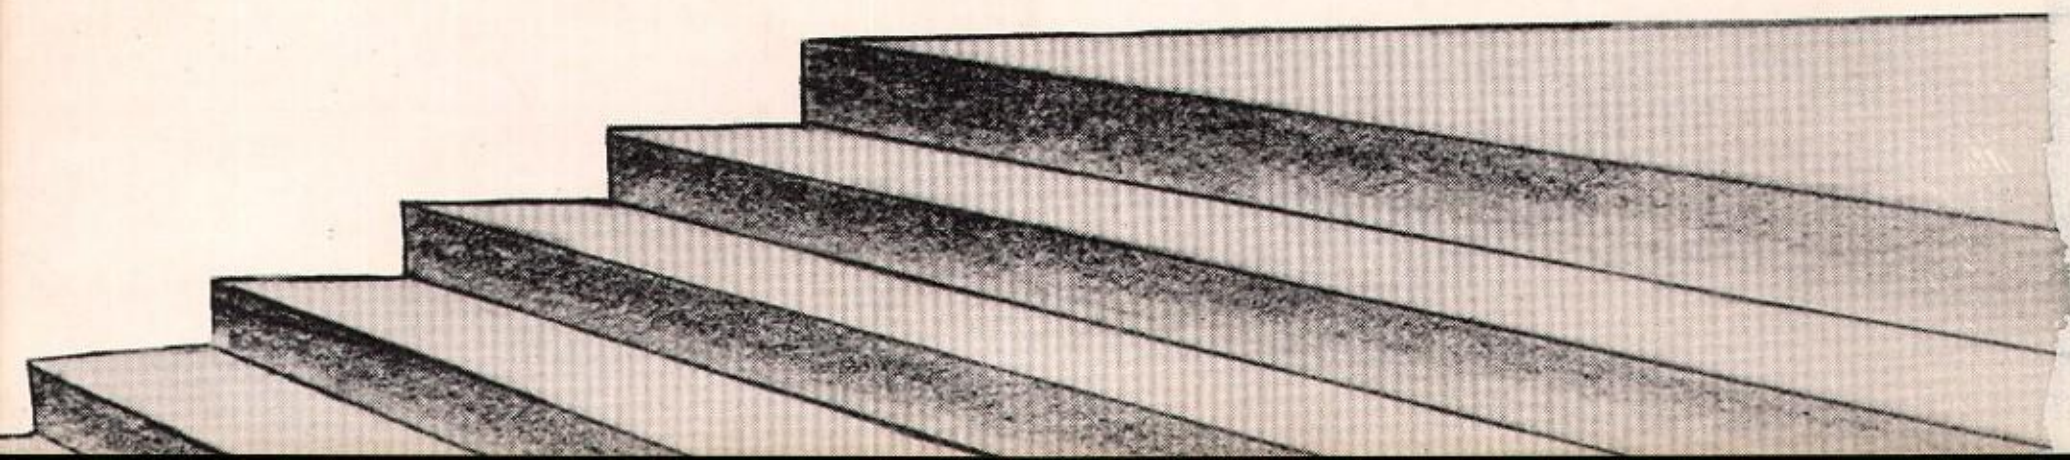
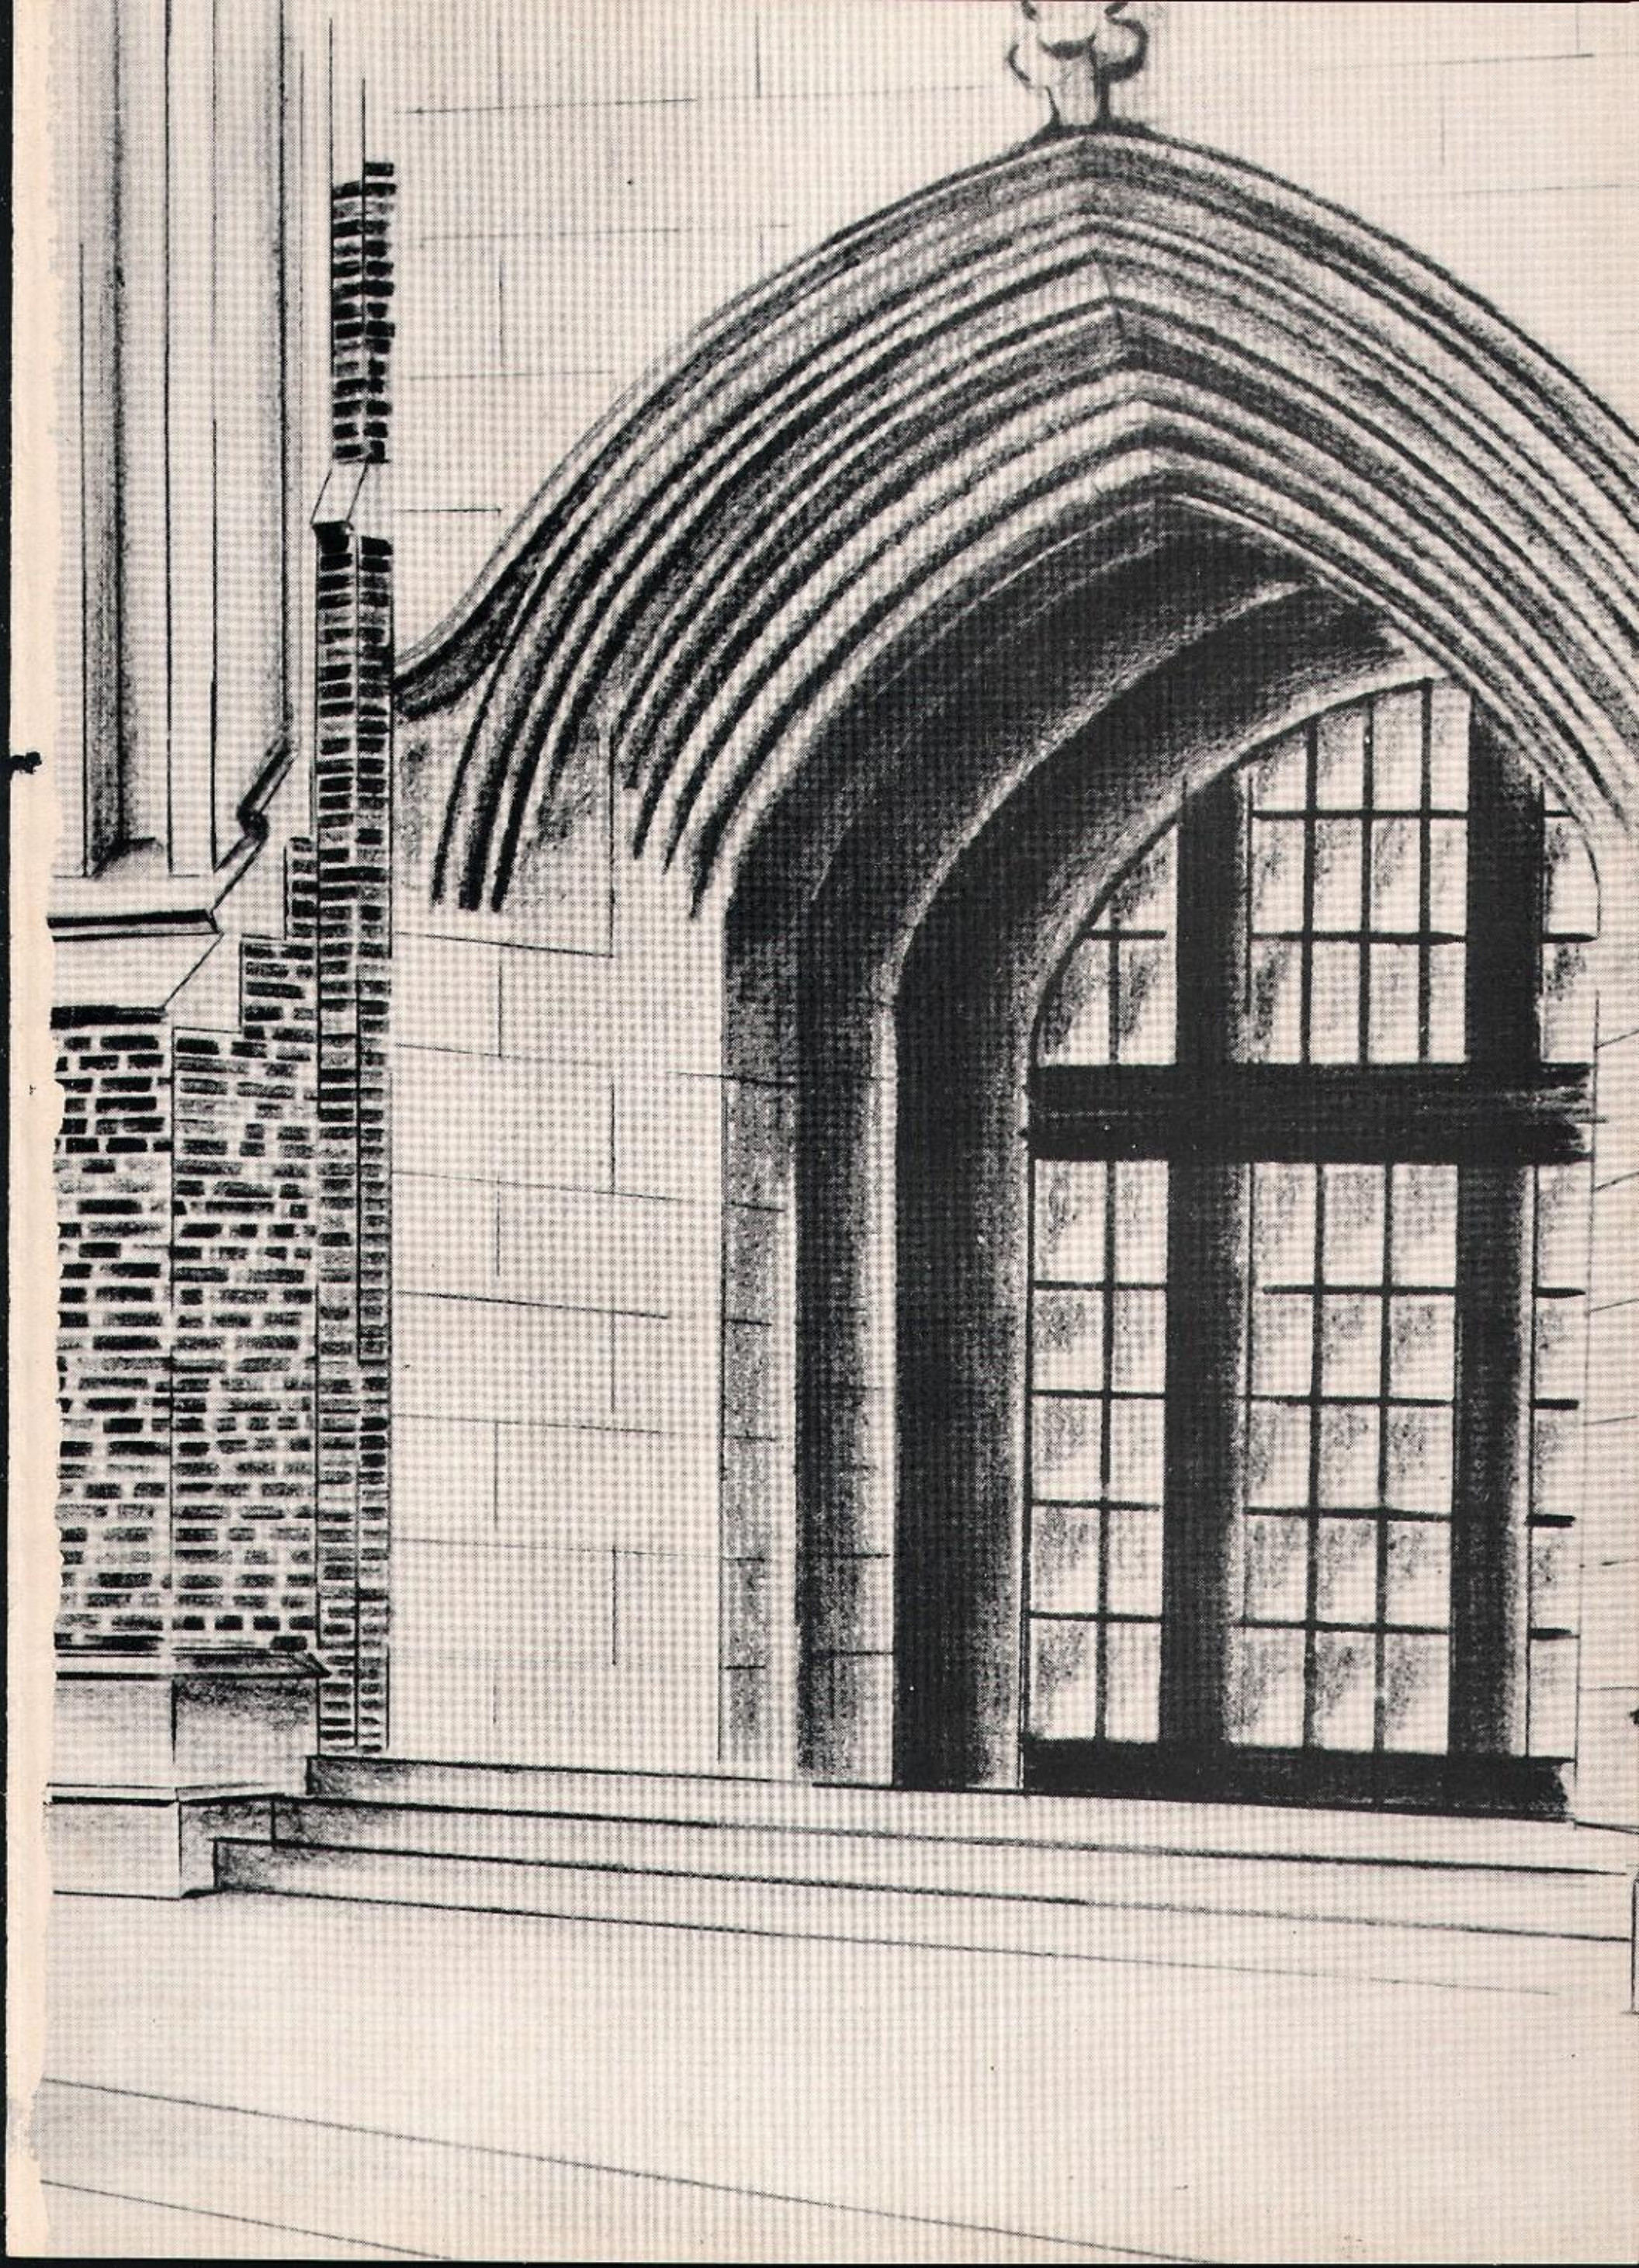
"... the doorway to tomorrow"





*We are the people of Alton High . . . the individuals. Like most of the young people of this country, we like our rock-and-roll music, sports, hamburgers, shakes, movies, books, T.V., and dates. We dress alike, cut our hair the same, and wear glasses; but we think differently. Our differences in ideals, tastes, and personalities have made each of us a person.*

*These last years have kept our minds running fast with new knowledge about life and the world, yet what lies on the other side of the open door is unknown to us. But look closely! Among our friends we can see the doctor, minister, journalist, artist, nurse, and housewife. We are all together now, mixing our own personalities with others to make the student body of Alton High . . .*

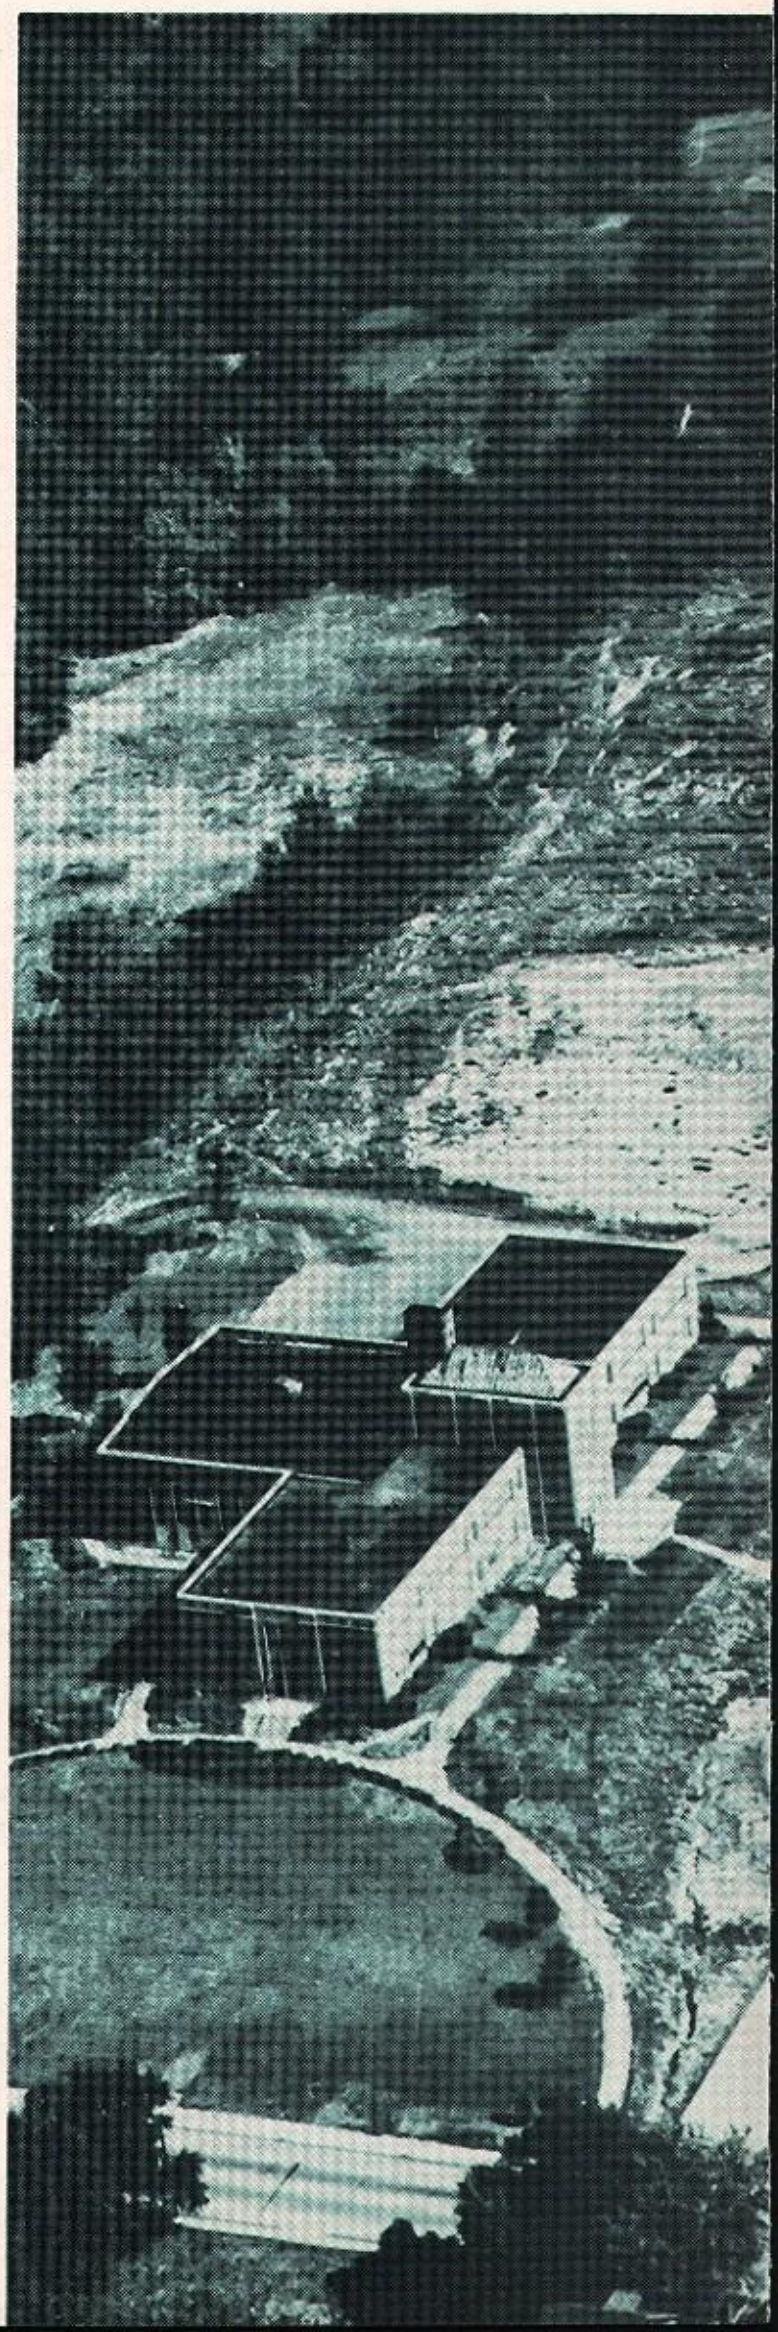
## *alton senior high school today*

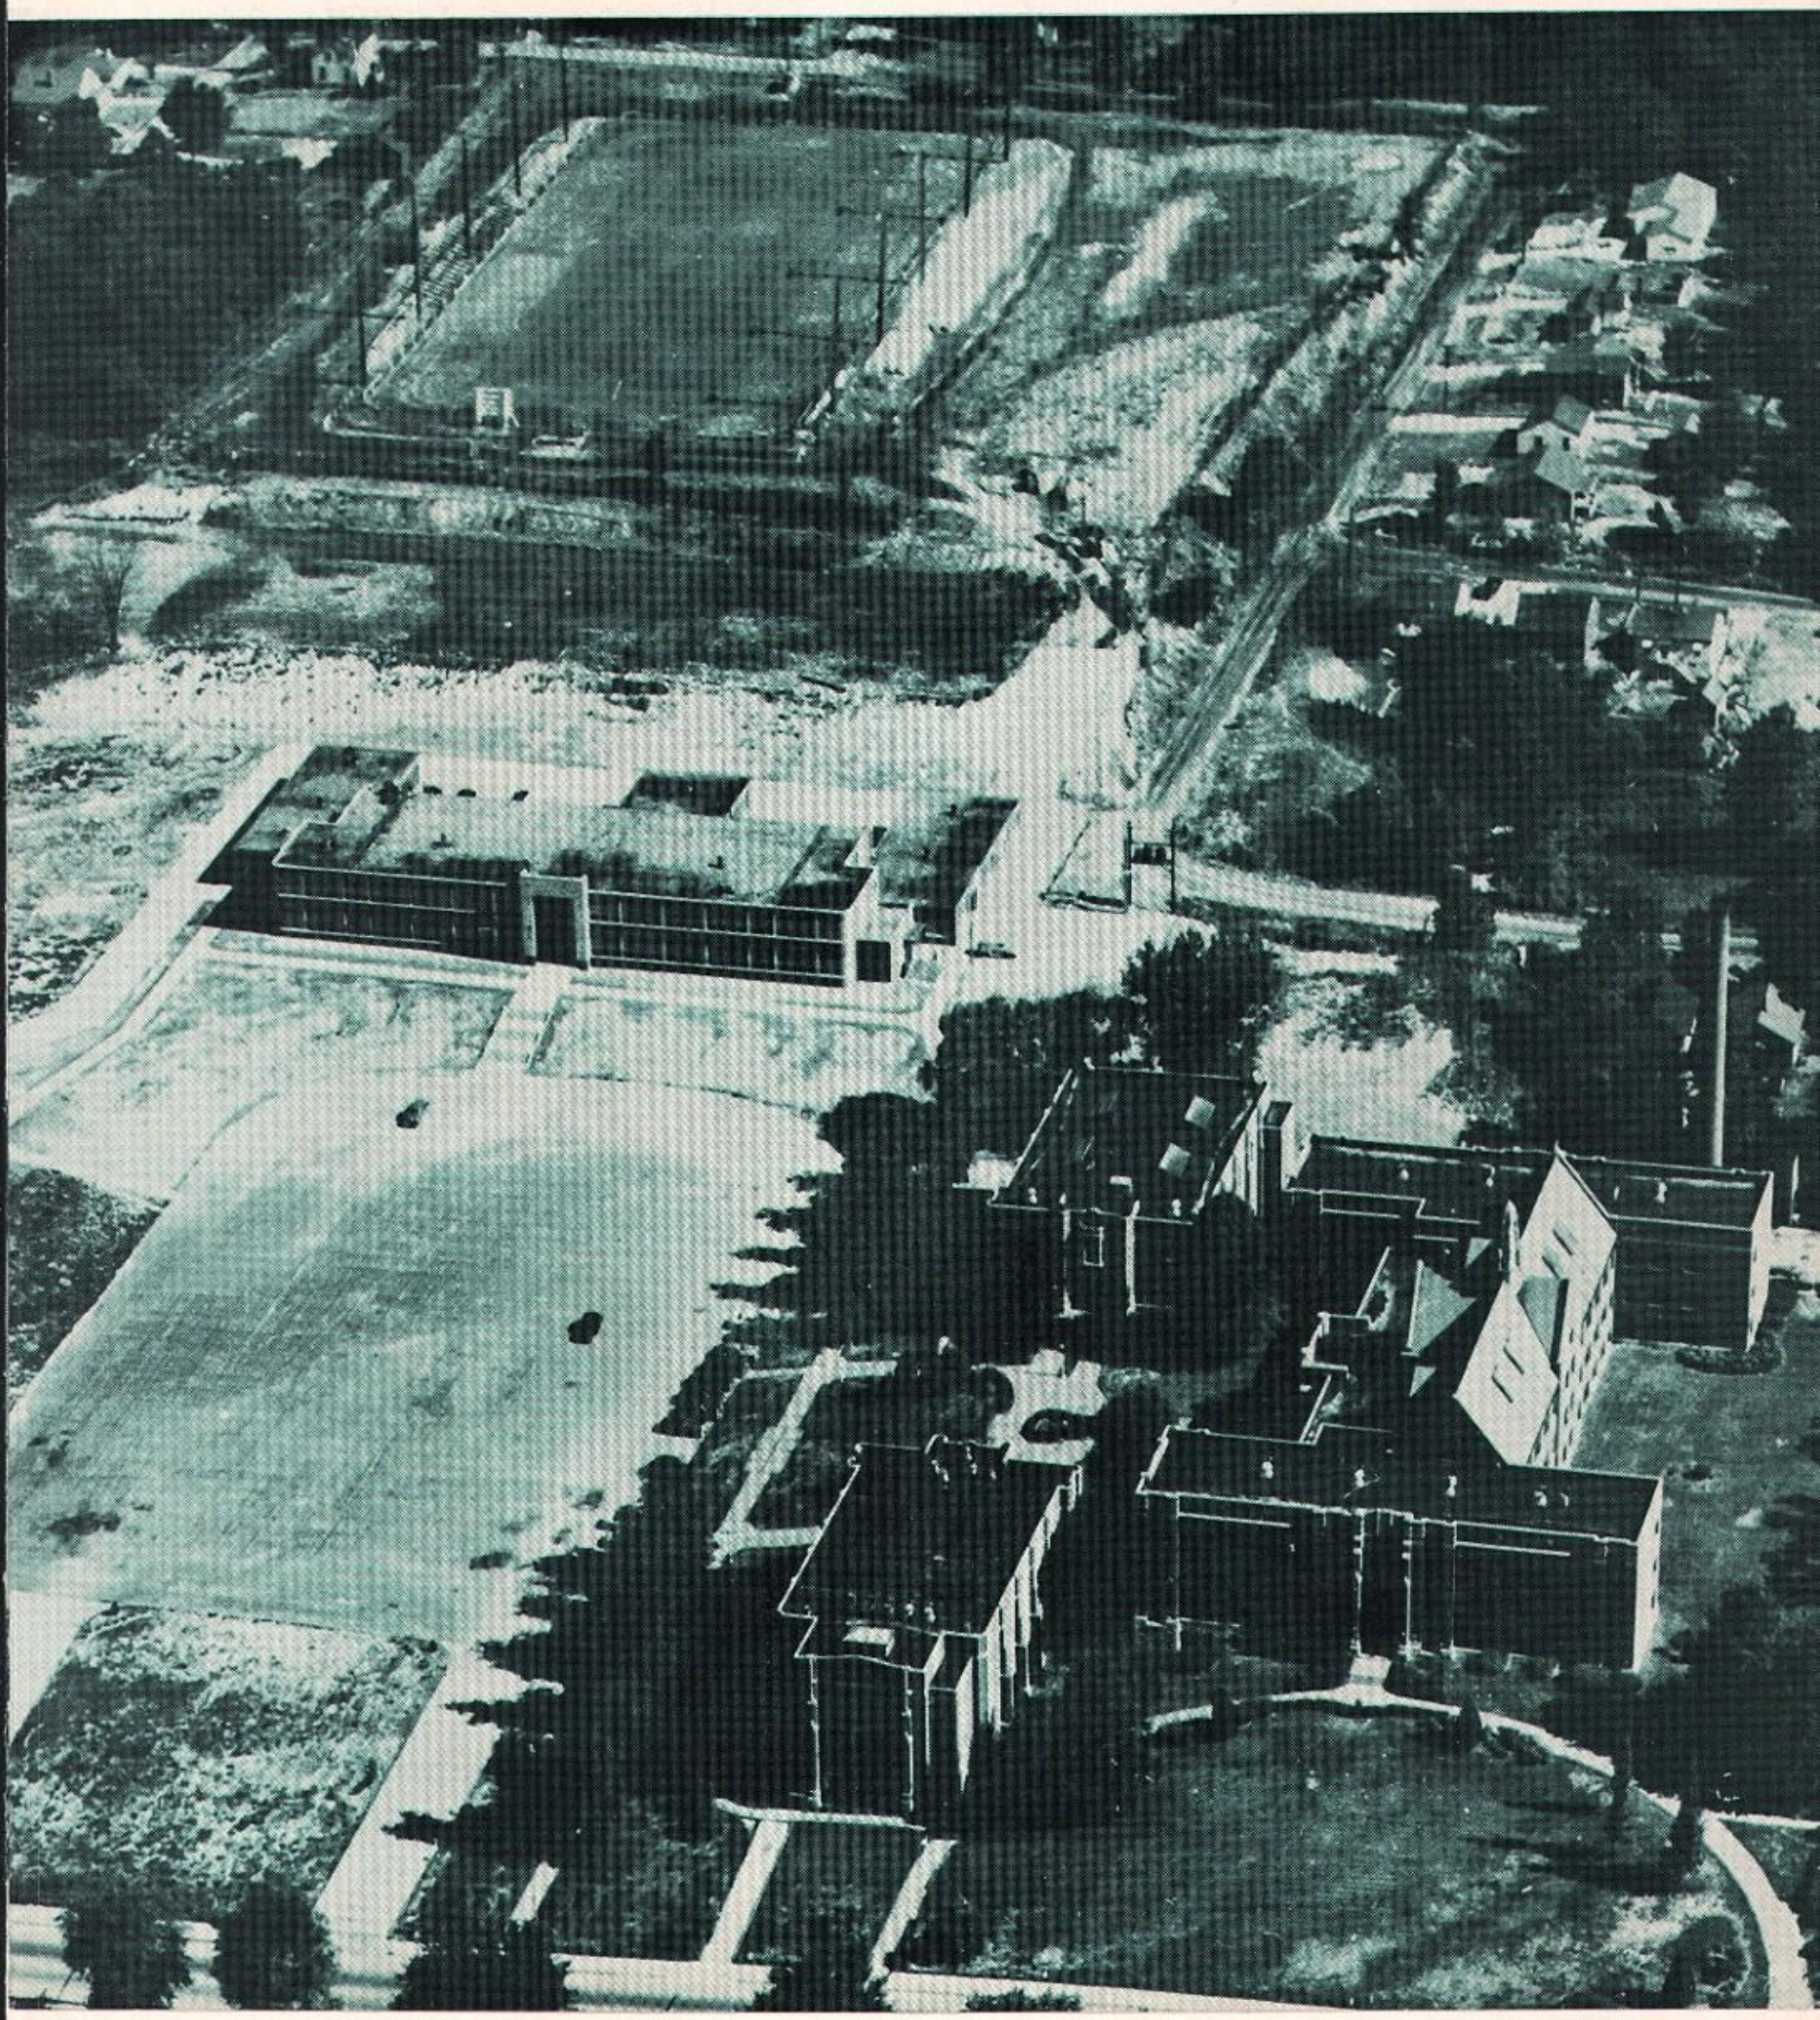
Our school was started by men of vision, courage, and faith. Today it is one of the best-looking and most honored schools in the State of Illinois.

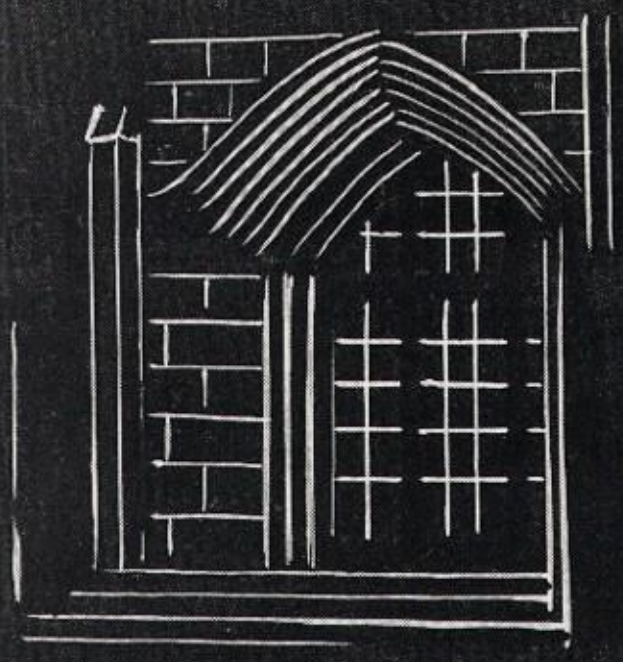
Alton High consists of three buildings; these three buildings are set on a beautiful five-acre campus which surrounds a large blacktop parking area. The Main Building is to the east of the parking area, the Annex to west, and the Olin Building to the north. To the rear of the Olin Building is a football field which is now used as a practice field by athletes and by gym classes. South of the Annex and the Main Building are two large semi-circles of grass extending to College Avenue. The lawns in front of all the buildings form very attractive terraces, and a large variety of trees and shrubs is planted around the walks and along the foundations of the buildings to beautify our campus.

As can be seen, the Alton High campus is beautiful well-arranged, and adequate for the needs of all students.



# Of Our Campus





# "Through These Portals"

When we, the students, entered Alton High, the doors of opportunities were unlocked for us. We grew in those opportunities, making friends and attaching to ourselves new abilities. We progressed each day . . . each class . . . and, as we did so, we began to see the key fit its notches and prepare to turn again to throw open wide the door of a bigger and older world.

*ALTON SENIOR HIGH SCHOOL LOYALTY SONG*

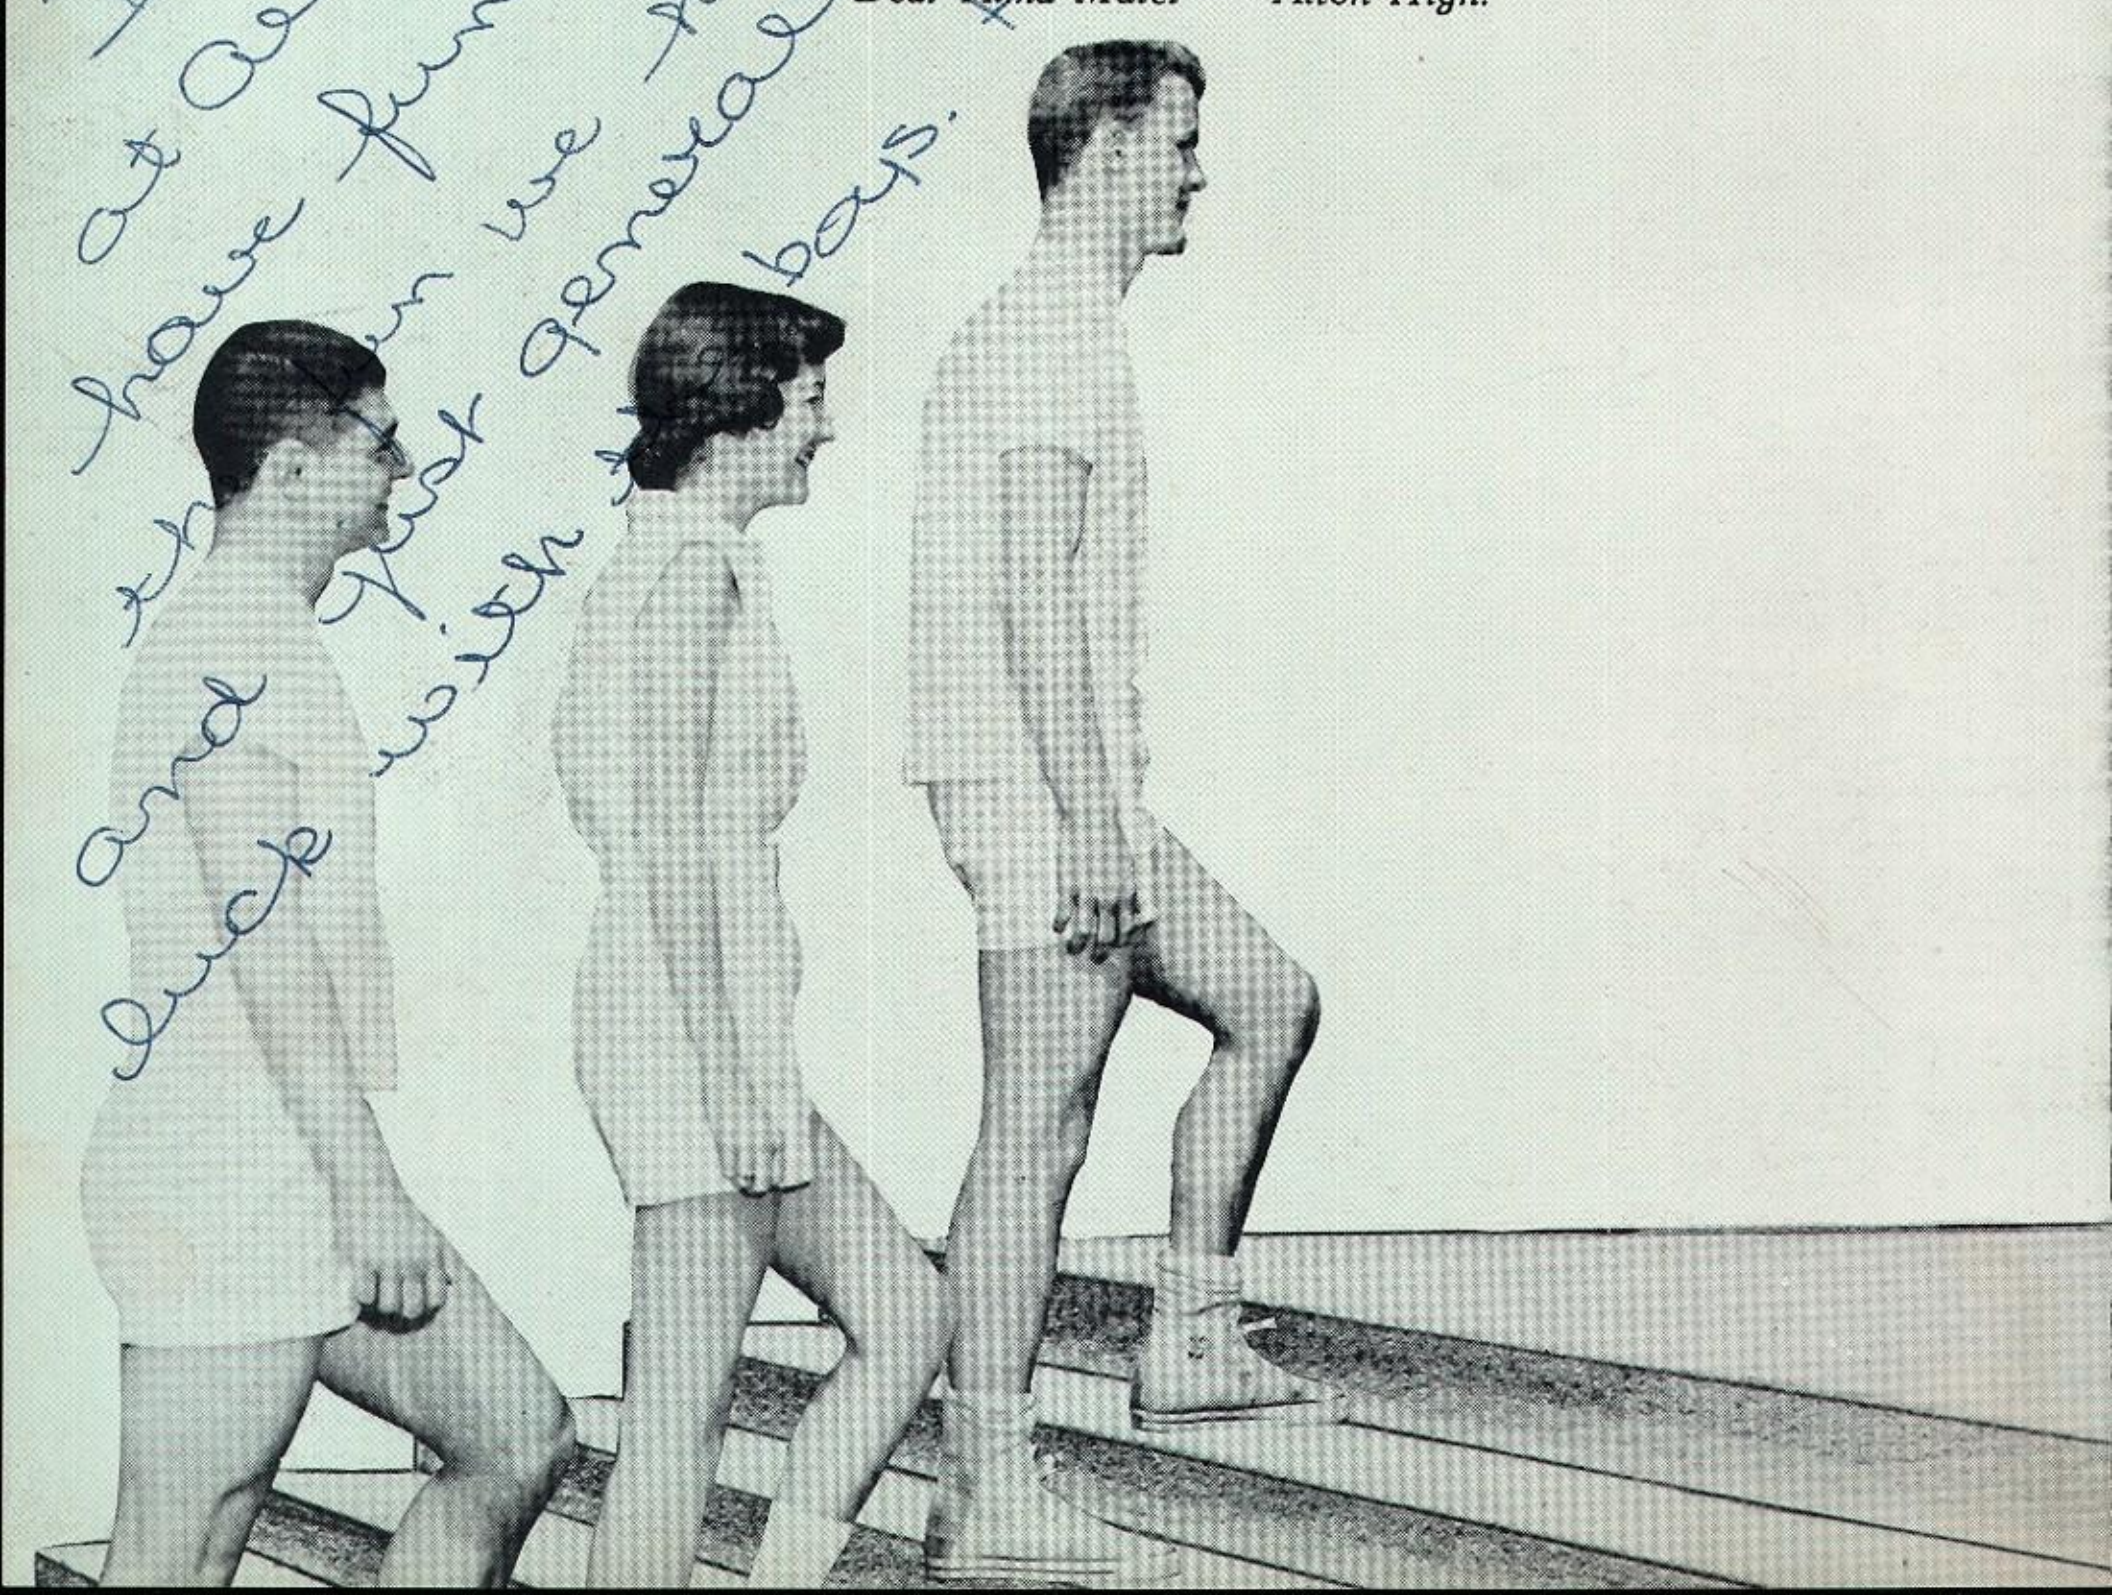
*We're loyal to you, Alton High*
*To the Red and the Gray, Alton High;*
*We'll back you to stand 'gainst the best in the land,*
*For we know you have sand, Alton High, Rah! Rah!*

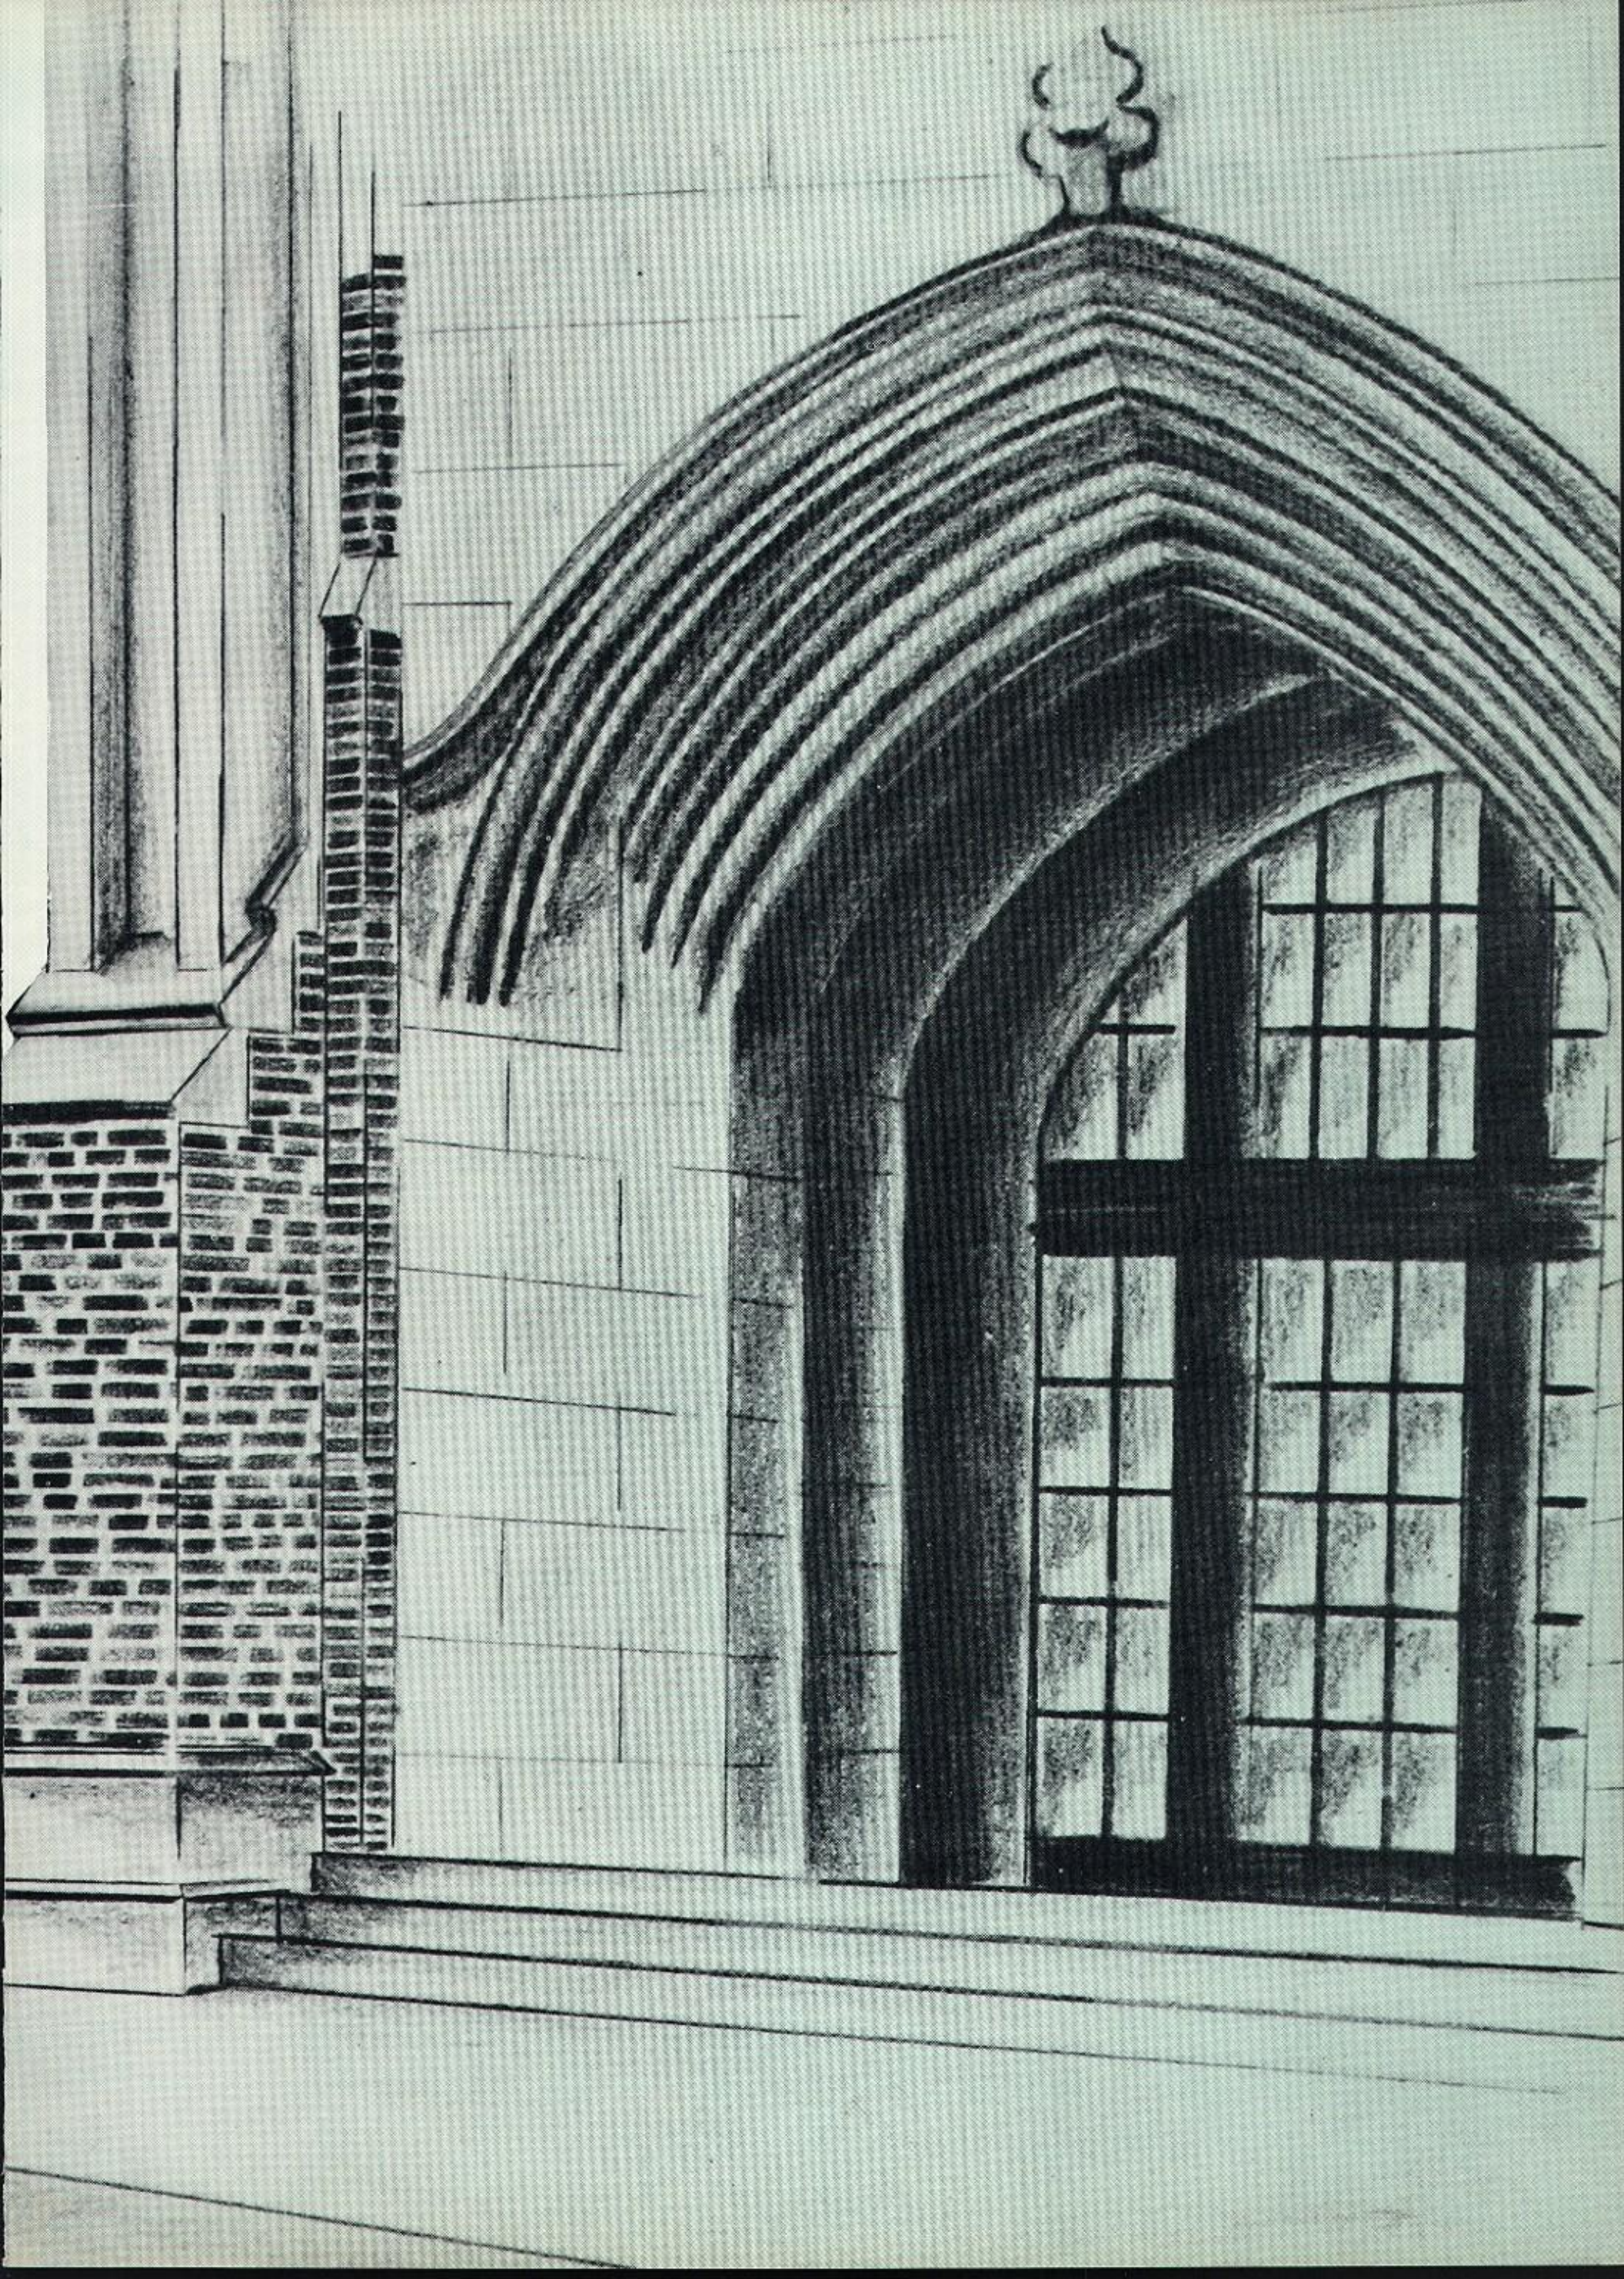
*So crack out that ball, Alton High,*
*We're backing you all, Alton High;*
*Our team is our fame protector;*
*On, boys, for we expect a victory from you, Alton High.*

*Che-he! Che-ha! Che-ha-ha-ha!*
*Che-he! Che-ha! Che-ha-ha-ha!*
*Alton High, Alton High, Alton High.*

*Fling out that dear old flag of Red and the Gray;*
*Cheer on your sons and daughters, fighting the fray;*
*Like men of old on giants placing reliance,*
*Shouting defiance, Os-key-wow-wow!*

*Amid the broad, green plains that nourish our land,*
*For honest labor and for learning we stand;*
*And unto thee we pledge our heart and hand,*
*Dear Alma Mater - - Alton High!*





# Vasity Football

For the past several years, Alton High's football teams have been of a mediocre quality. The 1956 season, however, as it was presented by the Redbirds, was one of the best in ten years. The Redbirds finished the season with a 6-3 record.

In the opening performance the Redbirds dropped Marquette 19-0 in the second game of the new series. Following this, the Redbirds downed McKinley of St. Louis 12-7. The first road game found Quincy a belligerent host as they topped the Redbirds 13-6 in a hard fought contest.

The annual Homecoming classic was celebrated in style as the Redbirds defeated Wood River 19-0. Their winnings ways, however, were stopped cold in the next game by Collinsville, one of the best teams in the conference, who rolled over the Redbirds 19-7. Then the Redbirds started a new streak of three wins as they downed Granite City 20-6, Edwardsville 7-0, and Belleville 26-13.

The final game matched the Redbirds against a powerful East St. Louis team. With a chance to tie for the conference title, the Redbirds were unable to hold back the Flyers and were downed 26-6.

The 1956 season was indeed welcomed by the victory-hungry student body. Returning next year will be a fine nucleus for the varsity squad.

After completing the season with a 6-3 record, the Redbirds were able to place six players on the All-District Team. Named to the first offensive squad were Bob Diaz - Senior Tackle, Harold Wittman - Junior Tackle, Danny Weeks - Senior Halfback, and Don Watkins - Junior Fullback. Two Redbirds from the fine defensive platoon placed on the defensive squad. They were Bob Jansen - Senior Halfback, and Gilbert Moody - Senior Halfback.

Two other boys received honors because of their playing. Bob Diaz and Danny Weeks were named Co-Captains of the 1956 squad by their team-mates. Bob, a three-year letterman, was an outstanding lineman and all-round player. Danny, also a three-year letterman, has been the pillar of the back-field and is regarded as one of the best backs in the area.

The 1956 season certainly was one of the best of the last decade.

*Football*

In his second year as varsity football coach, Mr. Posey has done an outstanding job. He has transformed the 2-7 record of the 1955 season into the 6-3 record of the 1956 season, turning the Redbirds into a conference threat and establishing pride and spirit in our grid-iron ranks. Mr. Posey has made the student body take notice of the football program and has given the students something to cheer about. His assistants - Coaches McClain, Luketich, and Washington - are some of the best mentors in the area. To this group goes best wishes for a successful 1957 season.

# Varsity Basketball

The 1956-57 basketball season was filled with many outstanding triumphs. In his first season as varsity coach, Mr. Hanks coached his squad to the Pontiac and Hillsboro Tournament titles. The Redbirds were also able to take third place in the Southwestern Conference with a 7-5 record. The early part of the season found the Redbirds defeating East St. Louis and Roxana, while suffering losses to Gillespie, Mt. Vernon, and Edwardsville. With the brilliant play of the Pontiac Tournament, however, the Redbirds were able to produce the quality of play of which any team could be proud. After sweeping the Hillsboro Tournament, the Redbirds were downed by Robinson and Paris, but went on to a four game winning streak. The Redbirds finished regular season play with a 10-10 mark and a perfect record in tournament play.

# Good Coaching

After serving one year as junior varsity coach, Mr. Hanks stepped into the varsity position. Coach Hanks brought with him a fine record of the previous season. After coaching the up and coming varsity players, he was better equipped to serve as the varsity coach. In his first season, Mr. Hanks has retained the basketball rank of the school by winning the Pontiac Tournament and the Hillsboro Tournament. Under his direction, the Redbirds were able to finish third in one of the State's toughest conferences. Mr. Hanks is a good example of the fine coaching staff of Alton High.

## Cross-Country

They've done it again! Alton's harriers have established a record to be proud of. Not satisfied by winning the Southwestern Conference Title and the District Meet, they went to the State Cross-Country Meet and won fifth place, Charles Glaeser finished seventh, and Ronnie Dunbar took eighth place.

Under the able leadership of Coach Schmelzel, the Redbirds turned in one of the best performances of the past three years. The prospects for next season are very good. One senior will be sorely missed. Charles Glaeser, one of the mainstays of last season, will be remembered as an outstanding and hard-working team member.

## Track

Last season's track squad was made up of sophomores and juniors. Only a few senior lettermen returned. Lack of experienced runners greatly hampered the squad's chances. The Redbirds were strongest in the distance events with milers Charles Kidwell, Tom Monical, and Ronnie Dunbar. Lack of experience, especially in the short runs, proved to be too much to overcome.

This season the squad appears to be of much better quality. There are many promising sophomores, and last year's members will be much the better for experience. The team is under the direction of Coaches Posey and McClain.

# Girls' Athletic Association

After an absence of five years, the Girls' Athletic Association is once again at Alton High, under the direction of Miss Foster. The president of the organization must be a senior, while the vice-president, who will be president next year, must be a junior. This year's officers are: Valerie Dennis, president; Jeannie Vine, vice-president; Virginia Dude, secretary; and Joyce Dunnagan, treasurer. Meetings are held on Monday, and then the members engage in one of the following sports: basketball, archery, bowling, tumbling, hockey, golf, and volleyball. This organization is very valuable in furthering good sportsmanship and gives the members a chance to develop athletic ability.

We of the Alton High Tatler Staff have tried to give you, the students of Alton High, what you want in a yearbook. We have tried to be fair to all students, and we hope that we have made this year's Tatler one of which you will be proud.

*Tatler*

It is both an honor and a lot of hard work to be a member of the Tatler Staff. From the time that the dummy of the book is sent from the printer until the time that the last page is completed, staff members are kept busy selecting a theme, getting information about clubs, writing copy, typing copy, and selling subscriptions. These students can also be seen doing anything from soliciting ads from business men to hanging upside down in a tree to get a good picture. All this work is done under the supervision of Mr. Gene Bailey, faculty sponsor.

Our Student Council is designed so that we, the students, through the combined force of many, may help plan and direct activities at Alton High School. Representatives are chosen each year from the homerooms, while officers are elected after a colorful campaign which is held in February. This year the Council sponsored Homecoming, offered redbird decals for sale, sold soda and popcorn at football games, and sponsored a sock-hop with Boys' Cabinet and the Girls' Council.

Girls' Council, for the first time this year was open to all those interested in joining. It is a service organization, sponsored by Miss Teter. The council meets the second and fourth Mondays of every month. Some of the projects this year were selling beanies and stationery and entertaining new girls from out of town.

The members of the Boys' Cabinet sell soda, candy, and popcorn at the basketball games, take tickets at school events, and assist at football games. To get this done, Mr. Jureziz, the sponsor, is often seen recruiting "Volunteers".

The National Honor Society is made up of students who have four things in common - - character, scholarship, leadership, and service. They meet once a month, under the sponsorship of Miss Hall and Miss Gates, to discuss things that they can do to help the school. This year a National Honor Society Week was established for the purpose of letting other students know more about the organization. Members of the Society went to all the junior high schools and spoke to the students, encouraging them to work hard in order that they might become members when they reach high school. It is hoped that this week will be set aside in years to follow.

# Training For The Business World

### *O. O.*

Office Occupations consists of students wishing to receive on-the-job training in office work. The participants receive double credit for the subject and attend classes in the morning only. In the afternoon they work in various offices in Alton. The club is under the supervision of Miss Focht.

### *D. E.*

Distributive Education is also composed of a group of students who attend classes in the morning and work at various businesses in the Alton area in the afternoon, receiving school credit for their training. Mr. Ross is the sponsor of this organization.

# Membership In Clubs

*Future Cosmetologists of America*

The Future Cosmetologists of America is an organization composed of girls interested in cosmetology as a career. The knowledge of these students is increased by the practical training received through this club. Mrs. Becker and Mrs. Thompson are the sponsors of F.C.A.

**F.C.A.**

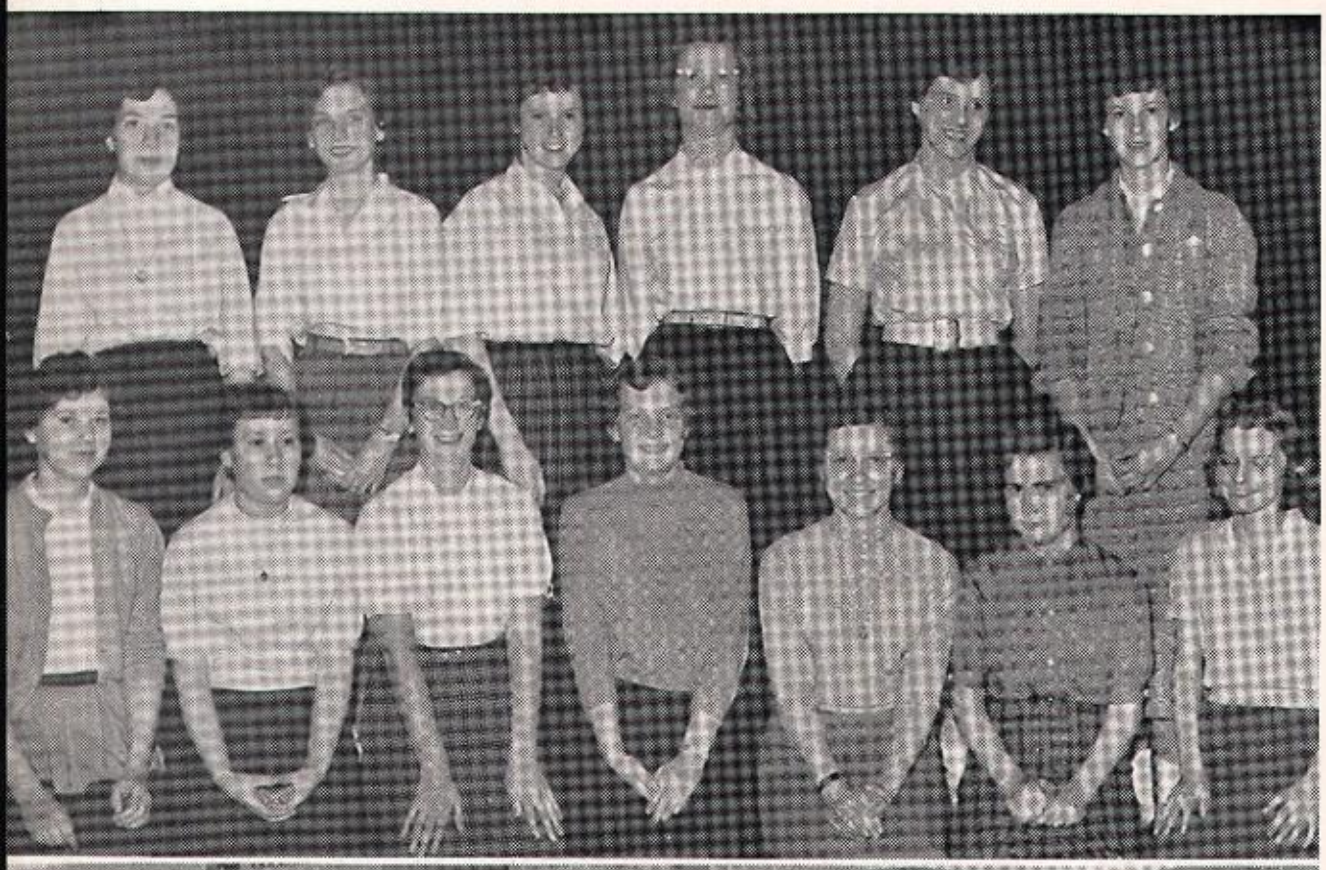
# Student Assistants Help



*Office Assistants*

The girl who comes into your class each hour to pick up the absence slip, the girl who brings you a telephone message, and the girl who says "Number, please" when you pick up the phone in the office, are Office Assistants. These students are very helpful to the office clerks and are greatly appreciated.

**Row 1: Carol Schneider, Beverly O'Conner, Gaynelle Green, Harriett Renken, Pat Moore, Pat Forrester, Janice Dalton.**

**Row 2: Sharon Lewis, Nancy Dunbar, Carol Wolfbrandt, Lucy Frankford, Judith Stiritz, Donna Welch.**

**Familiar school office scene with student assistants at work.**

*Library Assistants*

The Library Assistants are the whispering troup in the libraries. Working during their study hall hours, these students check books in and out, keep the bulletin boards decorated, and assist the librarians in many jobs.

**Row 1: Joan Chiolero, Naomi Wilson, Linda Naugle, Kay Hussong, Alice Mansholt, Gaynelle Green, Carol Bridgeman, Missy Ferguson.**

# Alton High School Orchestra

From the strains of Rachmaninov to the songs of Rogers and Hammerstein, the Alton High School Orchestra renders to the student body a cross section of classical and semi-classical music. The group, under the direction of Mr. Stuchlik is composed of outstanding band members and those students who play stringed instruments.

This year the orchestra presented an assembly to the student body. They also participated in an award program with the band and chorus.

At the award program members were presented with letters and pins. For the first time, a senior student, Roy Stillwell, was awarded the Arion award for orchestra work. The student body should indeed be proud of their fine orchestra.

*Majorettes*

# Alton High Marching Band

This familiar formation is an example of the football shows which the Marching Band presented during the 1956-57 season.

Hats off and give a cheer for the Alton High Band for the wonderful job they have done this year. They presented two concerts during the school year, the Mid-year concert in January and the Campus concert in May. They also participated in the Fall Frolic, High School Music Festival, assemblies, plays, and football games. A special group played at all Pep assemblies and basketball games.

This year the band went on their annual tour, playing at the Carbondale Community High School, Southern Illinois University, and Murphysboro High School.

As a finale to their crowded schedule they played at commencement exercises.

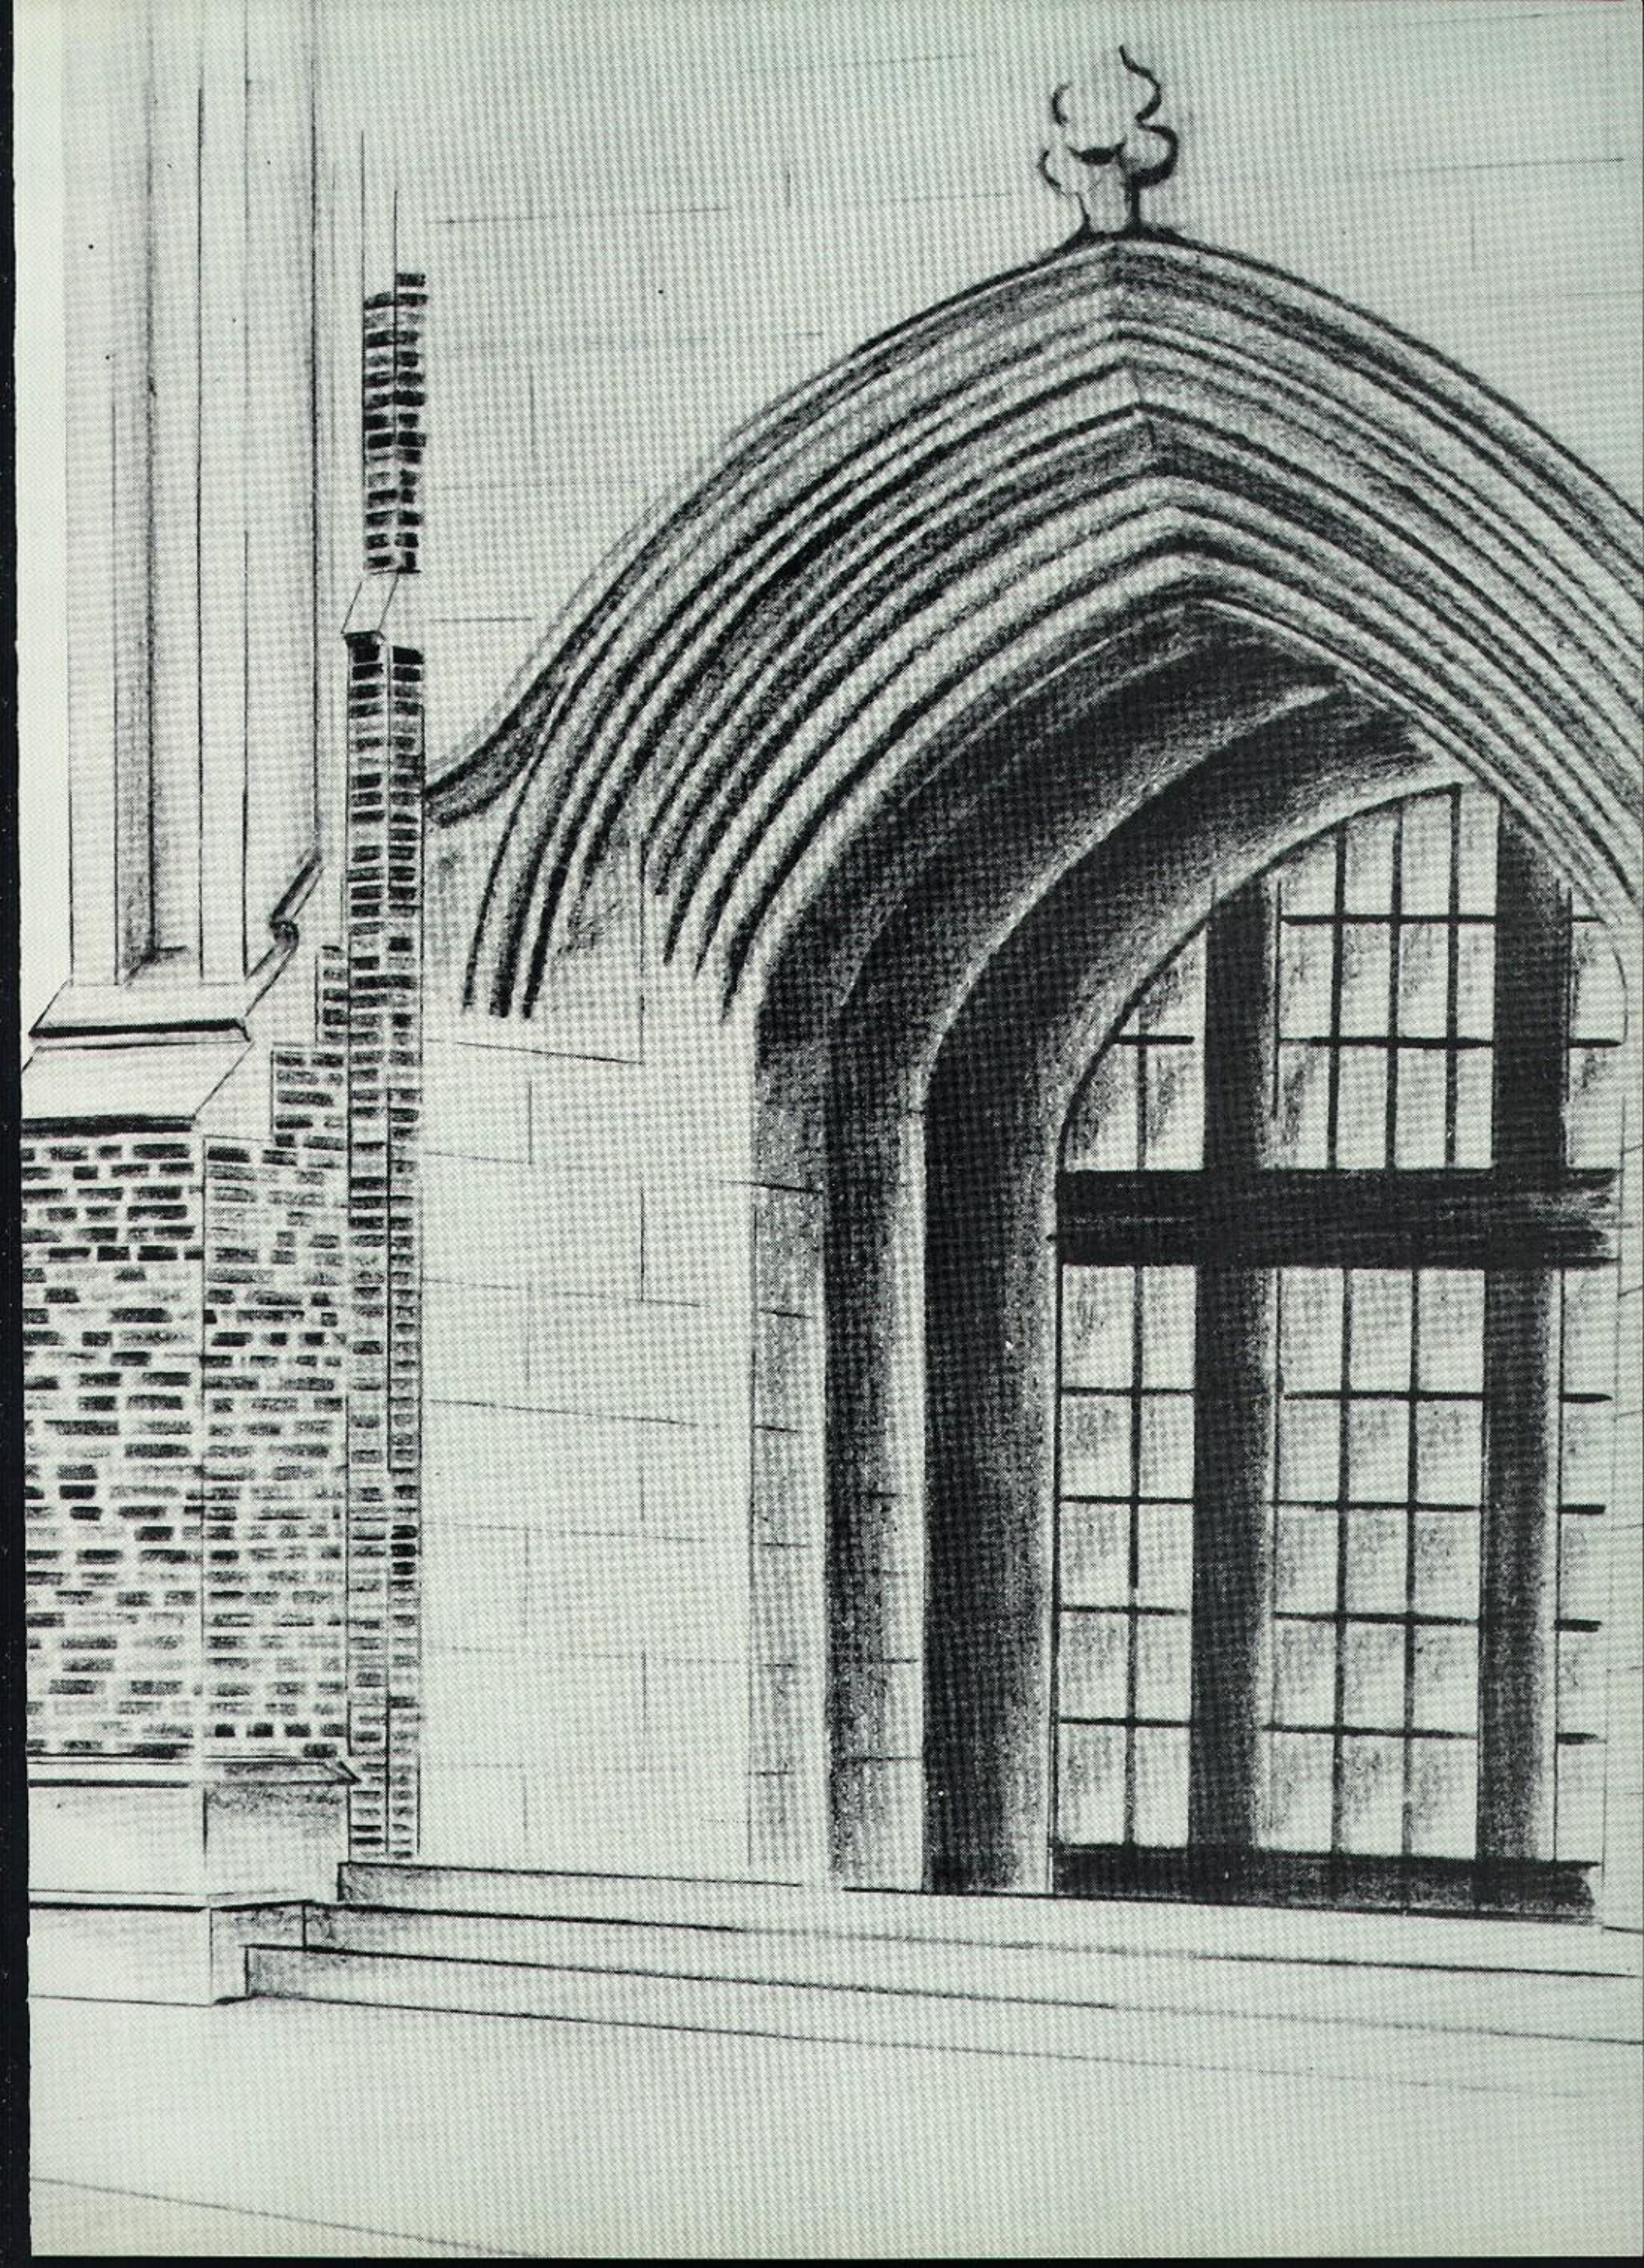
# Album

*One bright morning in September, the sophomores tripped through the halls of Alton High for the first time. At once they were bewildered and excited by the new environment with which they had to cope.*

*Then there were the juniors. They were high and mighty now, for they were upperclassmen.*

*For still others - - - our senior year at last! We will always remember our Prom, class elections, graduation practice, final grades, and the night of graduation. As we walk through the open door, we know how short our previous three years have seemed. Our memories of Alton High, however, will linger forever.*



# Alton Board Of Education

Our hard-working members of the Board of Education should be commended for the work they have done in the past and shall, no doubt, continue to do in the future. They have made the Alton Public School System one of the finest in the State. These seven board members donate their time, without charge, for the development of the total school program. They determine what is best for the students in the American way of life. New plans are always being made to meet the needs and provide for the potentialities of the pupils, the curriculum, the techniques of teaching, the materials, and the classrooms. It is unpleasant to think of what the community would be like without these citizens who desire to help with any worthwhile enterprise. We wish to thank this Board for their efforts in our behalf.

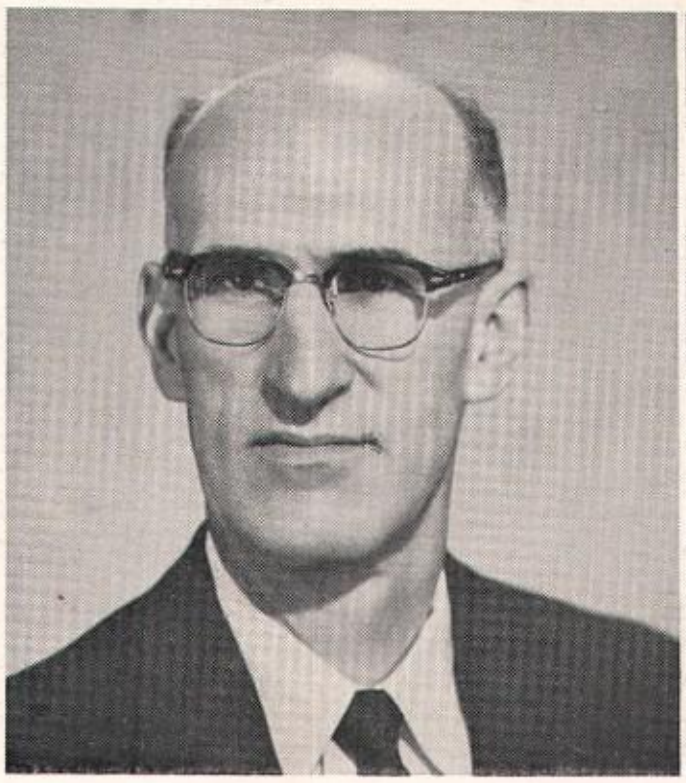
DR. JAMES BURRIS JOHNSON
Superintendent of Schools

# Leading Administrators

Since 1947, Dr. J. B. Johnson has been serving the Alton School System as Superintendent of Schools. During his administration, advancements have been made in every field of school activity. How well he has succeeded with the aid of a co-operative Board of Education and his administrative assistants in planning for the future may be seen today in the addition of new buildings, expanded curricula, and services.

To Dr. Johnson we seniors owe much appreciation for his contribution toward our futures.



**Mr. Leamon serves the school community by aiding the administrators, teachers, and pupils. His pleasant personality and his able assistance have made him well-known and admired.**

MR. EDWIN LEAMON
Assistant Superintendent

**Mr. Pruitt helps construct curricula for our high school and chooses new teachers for the system. Because of his many years of experience, he is a valuable member of the staff.**

Administrative Assistant

# Guidance Is Their Business . . .

All students require guidance and proper training if they are to experience normal advancement. The principal of Alton Senior High School, Mr. G. C. Davis, with his assistants - - Mr. Anton Jureziz, Mr. George Abner, and Mr. C. R. Wright - - and with the System's administrative staff, solves this problem in an efficient manner. During time spent in classes at Alton High, students grow in wisdom because of the praise, criticism, and assistance given by these superior educators. Their interest in the academic, vocational, and co-curricular programs has furnished the students of Alton with a wide variety of experiences which will prove beneficial in future years.

Dear Janet,

Hi kiddo, I don't know exacally what to say, but I will try.

Just don't forget all the fun and stuff we had together, the time you were over and we were both sick and we laid in bed and ate green jello, that was really good, and then all the times we scratched each others back

## In The Beginning

*Like a country boy in a big city, the SOPHOMORES pass through the doors and walk the halls of senior high. It's all new as a Christmas present, and a rude shock to be dropped from the smug heights of the ninth grade to the basement floor of a lowest-classman. The awesome senior is Prince to the sophomore's Pauper.*

*After a while, assignments, book reports, and tests break them into the new routine. They're filling their part in school life and rolling along as if they'd been here all the time.*

*And believe them, they're kept hopping. On every hand are clubs to join, popcorn and cokes to sell, and assemblies to watch. The world spins fast for them, but in truth they're generally in front waiting for it to catch up, not getting dizzy.*

*The new adventure into senior high is an exciting one . . . and fun. There are many times, good and bad, in the road ahead, and someday . . . some way, the humble sophomores will find themselves dignified seniors.*

days, and

come a long

I hope you feel better. You are

cute and sweet kid,

and not a 2 timer, by any means.

I think your hair just looks darling, but for that matter so are you. I hope we can be the best of friends forever. Take good care of yourself, and don't let the world get you

Love n' stuff

Mary Lou

# . . . And One To Go

*Putting their hearts in all their undertakings . . . the midnight task of chemistry . . . the exciting moments of student body elections . . . the tedious job of prom decorating . . . the juniors lived their most impressive year on the threshold of leadership. Their loyalty to A.H.S. sank in, unnoticed, with each burden they loaded on their shoulders. Who could blame them for the glee they felt when their class athletes were added to the varsity squads . . . or when junior beauties were placed in the Dream Girl Court.*

*It seemed a long, tough road back through the grades; but with one year left and the open door in sight, the JUNIORS caught a second wind . . . to go on.*

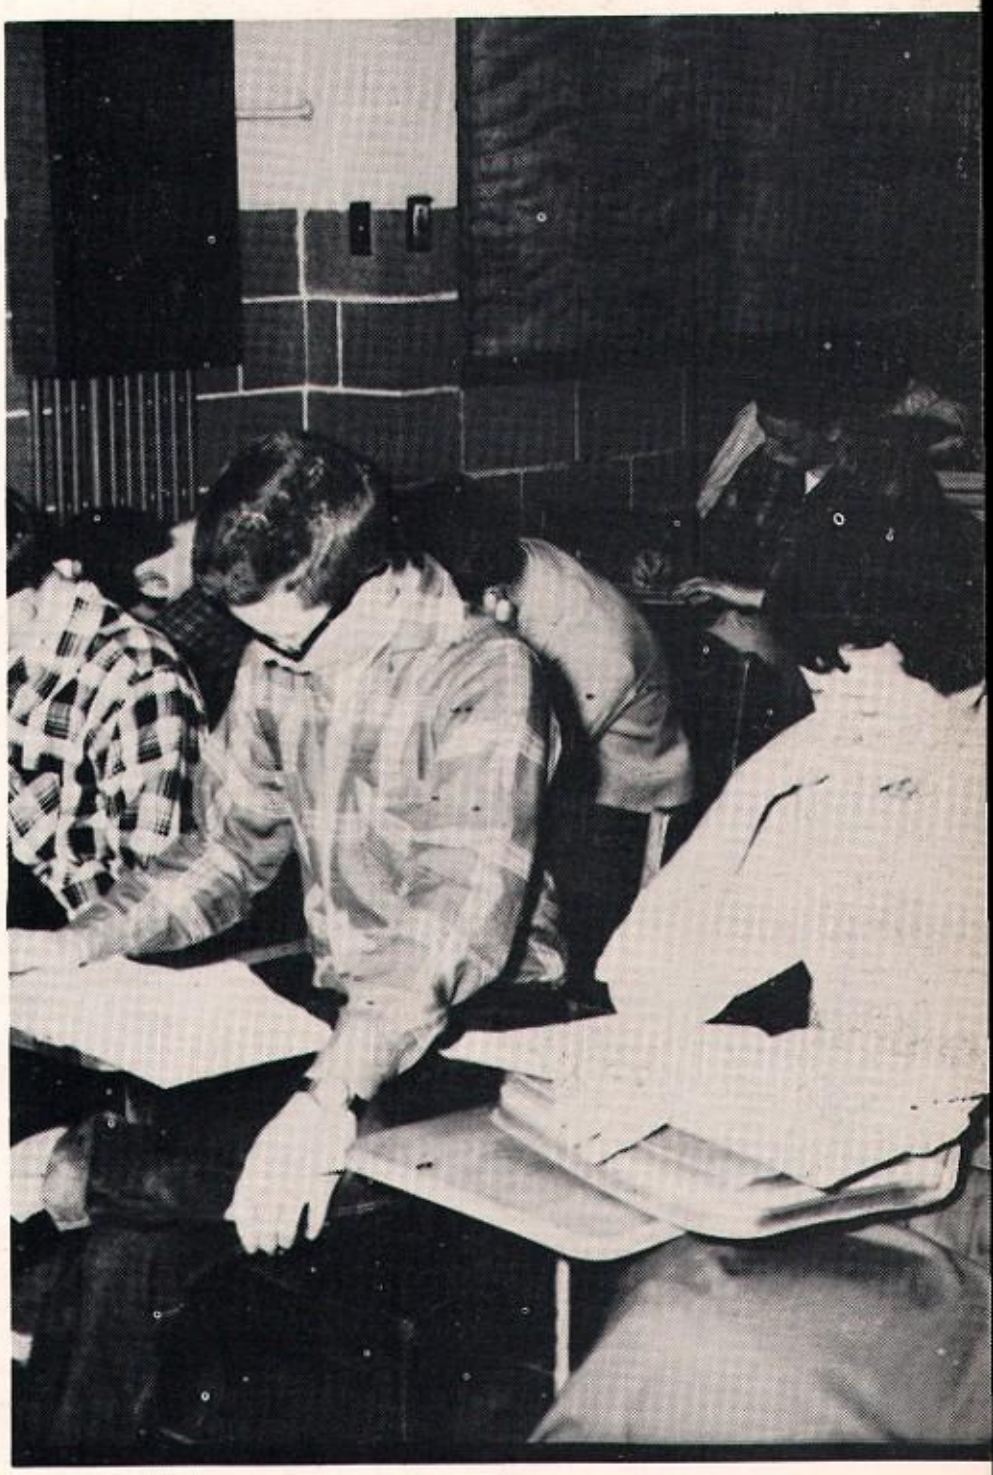
**And They Are Looking Forward To The Heartaches And Happiness That Will Make Up Their Senior Year.**



**Deep concentration.**

Miller (you dog!) — Remember (as if you could ever forget) all the darn dumb things we've done — Like the night of induction when we about beat the h— out of those pledges trying to get those cigarettes away from them — Gosh we could have really lived it up that nite if that stuped "Yaeger" would have cooperate oh well! Better luck next time. — It about scared the dern boots outa my belfry when yer muffler broke. You were even scareder (cute huh?) than me?? that night we Yaeger. I really liked that dumb Jones after that. I guess it just goes to show Never Judge people by what others say (crud stuff) of that mushy a million — Boy! thanks me cry on your for letting shoulder. I felt so much better after talking to you, knowing someone else felt like I do! — You know I'm pulling for you in every way. I agree with fran. "Don't give up the ship" -Seriously, like I said befor. If you're meant for each other its bound to work out. In the meantime Live it up, gosh darn it! Live it up! — I think an awful lot of ya Mill (I'm getting mushy!) and I know I can trust you. —Don't ever change —

Love 'n JUNK,

Barb
(Sokie)

P.S. Have my last cigarette (you dog!!)

## THE TOP - - - For Awhile

*Coming up through the ranks these mighty four hundred have reached the top. For two scrambling years they have struggled forward under the eyes and feet of their honored upperclassmen, never daring to fly too high or say too much.*

*And finally, their turn has come. Peers have moved on above, and echelons are coming up below; but the high command, the dignified and all powerful place toward which all Alton Highians strive is theirss their time to lord over the pep assemblies and be the ones to give vocal vent to their feelings with a booming "Pipe down, sophomores!" They can heartily, rightfully claim the honor and glory found only in a senior class.*

*And yet, in truth, they have not reached the top. Their berth at the peak of a twelve-year climb is only another step. In a few short weeks they will put on the cap and gown, and walk on, out the open door.*

Dear Jan,
Finally found the space to write in your year book. We've had a lot of fun & McKinley Blvd since you moved here when you were in grade school. You've had quite a few boys come thru. I hope you get that man you want. Don't forget all the parties & good times in high school. Thanks for all the favors you did for me. I won't forget them.
Best me

# IN MEMORIAM

The automobile accident in which two students were involved on the week end of March 15, 1957, dealt a severe shock to the student body of Alton Senior High School. N. Rogers Farley and Jerol T. Heidler, members of the Junior Class, died within a day of each other.

Well-known in our school because of their participation in high school activities, the boys' sportsman-like attitudes, enthusiasm, and buoyant natures endeared them to their fellow teammates and to the student body.

Our sympathy goes out to the families of these boys, and we hope that the kind wishes of their friends will make it just a little easier for them to bear their grief.

Janet,

There are so many reserved pages in here I don't know which one to write on. I just finished reading the page you wrote to yourself. It is really all true. You are really a wonderful friend one of the best. I really think the world of you. Don't forget Get Husshuman and how she loved me. If I get her next year I'll get a medical excuse I swear I will. You have had a little hard luck with your boys this year but I know things will pick up. True Merle has taken alot of my time Jan, but I've loved every min of being with him. But he leaves next Thursday for almost all summer. I am sure going to miss him but I intend to make up all of the time I missed with [illegible]. [illegible], believe it or not that includes you. I could never forget all of the fun we have had together. We have also had our disagreements but they have always easily been forgotten. Some people who see us probably think we are "queer" but if they only knew how we loved eachother. Oh heaven's I'm not in to much of a mood for compositions. But you are [illegible] and I'll be seeing alot of you this summer.

Love Ya

Dear Janet,

Well dall here it is the end of another year - We sure have had a lot of fun and a lot SINCE 1892 has happened - Remember all the parties and slumber parties were gone to - really a ball -

Ill never forget all the locks were had and all the advice youve given me - as you can see everything has worked out wonderfully for me - thanks to you -

I hope everything works out for you - and that you get the guy you want - but only time will tell and I think maybe times on your side - At least I hope so -

Youre just about one of the cutest and sweetest girls I know - and an awfully good person to be around when youve got troubles -

Here's wishing you all the luck in the world -

Dear Jan,

Well red said, I'd never have enough room to write all the stuff we've done. & couldn't write most of it down here anyway. First of all never forget our big trip to the "bear country". Hah-in the hell could ya! Remember our days that we spent out in the boat, with a hundred bags of food, 50 bottles of suntan lotion and one match. Harry, Ivan, me and the dogs. Honestly too - I could kick myself for not having it now. Boy were we dumb. I know, it was my fault. But never again, baby. Our year is wide be difference. We answer you. Jan, I know you'll never forget all the stuff that you and Ron, Harry and I did last spring and summer. I know I'll never forget them all anyway, if we don't. Have anything else, we have a lot of good memories. Remember our two loaves of bread from Hall's. Hah! and remember when we went swimming and at that all waters had and the time we went to the ballgame. Remember all the arguments that you and Ronnie or Harry and I had. One might it would be you two and the pet rat. Remember the admiral. That was fun only that was one of our nights. Oh well, there's been a lot more too. Remember Jan you and Ronnie took me to Harry's game. Sally full like the wheel. Remember Uncle Dad water skiing at Sunday. That was the most fun I've had. Remember that time when we went to Campgrounds and all those relations were there. Oh, and Rocky's deaper. Remember that little drive-in in Jerseyville where they had those delicious Bar-B-Ques. Remember the night we went to the drive-in after Harry's ballgame and he took off his ballsuit because it was mad and all he had on was green trunks. Tsk! Tsk! I hope nobody gets the wrong idea. It was all very innocent really, hun? Remember the picnic the day before school started. That was a hell. That little park at Brighton was really nice. Speaking of parks, remember Bluff Street. Heh! Heh! Remember Zeta's and all the fun. Especially the meeting we skipped. Remember the times we sacked wine at the paper and from the drive-in. That was a hell. Well Jan, we'll have more fun this summer if it's possible. You about the best friend a girl could have, so take care (189)

Dear Janny Baby -

I guess this is my page. Shall I start out with the ~~true~~ usual rat - Anyway, I think you are a doll and a wonderful friend. I hope our friendship lasts through all ~~they~~ the years. Remember all the fun we've had and troubles too! Don't forget Old Man Martin's class — I sure hope I pass. I don't need to wish you a whole lot of luck cause you have your share. Baby doll, please don't get another PIXIE hair cut cause I like it better. I'm a plain DA — I hope you'll soon get what you want — I have a feeling it won't be a long time. Never give up that ship o' dall, I'm glad I have you for a good friend cause I can trust you with anything I want to. To put it nicely I think a heck of a lot of you as a friend and otherwise. Well I've gassed off enough as here's to the summer coming up and the following years. Lets have a ball! And remember — Never give up that ship o'

Love Ya Lots,

Janny

# THE ALTON SENIOR HIGH SCHOOL

## STUDENT COUNCIL

The Alton High Student Council is the organization directly elected to represent the student body of Alton Senior High School. The Student Council looks out for, considers, and represents, the views, opinions, complaints, and constructive ideas of any student in the school. The Student Council of Alton High is definitely an organization devoted to service. Worthwhile suggestions made by students and backed by the Student Council usually are approved by school authorities and are put into effect. Students now have a voice in the selection of assembly programs. A homecoming game was held this year with a bonfire pep rally before the game and music was enjoyed with your meals in the cafeteria. Much of the Student Council's success and influencial prestige is due to the progressive attitude of our principal, Mr. Gwyn Davis. Mr. DeWitt Thomas is the Student Council's faculty sponsor, and the officers for this year are:

DANNY WEEKS, President

PAT EVERETT, Vice-President

LINDA NAUGLE, Secretary

BOB DIAZ, Parliamentarian

Reserved - Please do not write here!

Hi Janet,

Guess this will be okay to write here. Maybe you will get this year book back this summer sometime but don't plan on it because you know the old absent mind of (Janet). Karen will be good for anything but supplying the necessary movements for this boy (or mans) body. The care requirements. Well I guess you are a big wheel senior now. Really tear them up next year because whether you realize it these are the best years. The old world outside of A.H.S. asks no quarter or give none so make the best of what comes along. Sad, sounds like I am getting philosophical, huh? Well, I didn't have to wait for a job this year, didn't even finish school & they were after me. Well that's how it happens, this is one of those important jobs, little work & lots of MONEY (the most important. Well, running out of space & it look like ink too. (Must be on the 19,900 words) Have lots of fun but be careful about those nights like the junior prom. Too many of those are bad for you, the next morning you have grown another head, a dill pickle for a tongue & another other things 2 or 3 more feet. Well take every thing that come's your way because you can always throw it away

Lots of luck
Ken

## CHARACTER

Character is that quality which distinguishes a person from his fellow man. It is the sum total of the individual—and all he represents, evidenced by clean living and clear thinking. Like an invisible magnet, character guides one through life's temptations; and once developed, grows steadily to become an unfailing guide for its master. It is composed of intangibles, such as honesty and integrity. It is a quality that makes men famous.

Character is not an innate trait; it is a quality man must strive to perfect. He must decide the degree of perfection he shall attain, and every action and decision in his life plays a part in development of his character.

An industry, too, must constantly cultivate character—in its name, its product, and its people. Industry shows great pride in its character, and industries in this area take much interest in the character of their community, because an industry's character can be no better than its community's.

Owens-Illinois is indeed cognizant of the character of this community, its citizens, and its youth. You who are being graduated can be justly proud of the richness of your community's character, but you cannot wear such pride without responsibility, because your forthcoming contributions of honesty, integrity and other character-building prerequisites will shape the character of your community for the future.
